

Consultation on admissions arrangements for Dixons Trinity Academy 2026-27

Dixons Academies Trust are consulting on the admissions arrangements for Dixons Trinity Academy.

This consultation is required in line with paragraph 1.45 of the School Admissions Code, which states that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

No changes are proposed to the admissions arrangements.

Consultation period and comments

The consultation will run from **Monday 25 November 2024 to Monday 6 January 2025**, and we invite comments from parents of current pupils and any other interested parties.

Those who do not have access to the internet can collect a paper copy of this document from the Reception desk at the Academy.

If you wish to request a copy by post, please call the Trust Admissions Office: 01274 089780 – option 7

Comments on the admissions arrangements should be made in writing **by Tuesday 7 January 2025**.

You can submit comments using the form attached or via the online form which can be found on the following webpage:

Admissions arrangements for Dixons Trinity Academy

Procedures for Year 7 entry

The admission arrangements are:

- a) There are 134 places in Year 7.
- b) Applications for places at the Academy will be made in accordance with the local authorities Coordinated Admission Scheme, as published on Bradford local authority's [website](#) and in the authority's "A guide for parents about admission arrangements for Secondary Schools". Where the Academy receives more applications than places available, the oversubscription criteria will apply.
- c) Applications must be made on the Common Application / Preference Form (CAF / CPF) provided by the local authorities by the stated deadline.

Oversubscription criteria

The Academy has an agreed admissions number of 134 children for entry in Year 7. The Academy will accordingly admit up to 134 children in the relevant age group each year if sufficient applications are received. All children will be admitted if 134 or fewer apply.

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

- a) Looked-after children or children who were previously looked-after. See note 1 for a definition of these terms.
- b) Children who have exceptional social or medical need, supported by a written recommendation from an independent medical professional such as the child's paediatrician / consultant or an independent professional from Children's Services. The recommendation must explain why the Academy is the *only* suitable school to meet the child's needs and why *no other school* could provide the appropriate support for the child.

Prioritisation will be decided based on the information received and parents will be informed if the application meets this criterion before the end of December. See note 2 for how to apply.

- c) Up to 3 children of staff, who have been in post for at least two years, or to staff recently appointed to a post for which there is a demonstrable skill shortage. See note 3 for further details and how to apply.

If demand exceeds places at this point, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 4).

- d) Children whose siblings live at the same address, who currently attend the Academy, and who will still be attending the Academy on the date of admission. See note 5 for a definition of sibling.
- e) Children who are currently on roll at Dixons Music Primary (see note 6).
- f) All other children based on proximity to the Academy using straight line measurement from the school to the home address (see note 7). Straight line measurement is taken from the Ordnance Survey reference point for the home address to the main entrance of the Academy.

If demand exceeds places at points d) e), or f), places will be decided based upon the distance (proximity) of the home address (see note 7) to the Academy, with those who live closest receiving priority for the place/s. If there are two or more children from equidistant addresses but only one place remains, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 4).

Where twins, triplets, or siblings (brothers or sisters) are applying for the same year group, and only one place is available the remaining sibling/s will also be offered a place/s above the admission number.

Notes

1. A looked-after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, child arrangements order or special guardianship order and includes those who appear (to the local academy board) to have been in state care outside of England¹ and ceased to be so because of being adopted.
2. Exceptional need applications must be in the form of a letter or e-mail to the local academy board of the Academy, sent via the Admissions Officer, and accompanied by the supporting information described above.

¹ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

The e-mail or letter is required in addition to the submission of a completed local authority application form.

3. Children of staff applications must be in the form of a letter or e-mail to the local academy board of the Academy, sent via the Admissions Officer stating the name, post, and length of service of the member of staff, the name of the Academy, and the child's name and date of birth.

A skill shortage for teachers is a subject / area with a recognised national shortage, and for associate staff a post which has been unstaffed over a prolonged period resulting in multiple advertisements.

The e-mail or letter is required in addition to the submission of a completed local authority application form.

4. The applications will be allocated a random number of between 1 and 8 that contains up to 7 decimal places. The numbers will be allocated by a computer programme and ranked from the smallest number at the top of the list to the biggest number at the bottom.

The randomisation process will be supervised by an independent clerk of the independent appeals panel.

5. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters *living at the same address*. It does not include cousins or other family members sharing a house.
6. Children must be on roll at the time of allocations and continue to be on roll until the end of Year 6. Please note that we are heavily oversubscribed, and we cannot always guarantee to offer a place to every child.
7. 'Home address' refers to the child's permanent address where they usually live with their parent or carer (the address of the person who holds parental responsibility for the child), at the time of admission. Where the child lives with split parents who have shared responsibility, it is for the parents to determine which address to use when applying for a school. Proof of residency may be required at any time during or after the allocation process.

Calendar for admission (secondary)

August / September 2025

Local authority information and common application / preference form (CAF / CPF) is made available.

Early October 2025

Open event

31 October 2025

Deadline for receipt of:

- local authorities' common application / preference form (CAF / CPF)
- letters or e-mails and any supporting documentation in relation to applications under exceptional need
- letters or e-mails in relation to applications under children of staff oversubscription criteria

2 March 2026

Local authorities write with offers made to parents for all schools in their schemes.

In the event of oversubscription, those children who cannot be offered a place will automatically remain on the waiting list at the Academy until the end of December.

Late applications

Late CAF / CPF applications will be administered in accordance with the relevant local authority's coordinated scheme.

In-year admissions

The funding agreement for the Academy dictates how many students it will be funded for in total. The Academy plans its operations such as staffing, timetabling, and provision of resources based on the funding received; this equates to the following provision:

- o There are 134 places in each of years 7 to 11

If a child is refused a place, this is because admission of another child would prejudice the provision of efficient education or the efficient use of resources.

Where vacancies occur, places are not offered based on the length of time children have been on the list but are filled in coordination with the local authorities and in line with the oversubscription criteria stated above. It is, therefore, possible that a child may be added to the list who qualifies more highly within the criteria than children already on the list because each time a child is added, the list will be ranked again in line with the published oversubscription criteria. Looked-after children, previously looked-after children, and those

allocated a place at the Academy in accordance with a Fair Access Protocol (explained below) take precedence over those on a waiting list.

Applications should be made on Bradford local authority's 'In Year Common Application Form' (ICAF) which is available from the [website](#). Once completed, the form needs to be returned directly to the local authority. On receipt of an ICAF the local authority will send a copy of this to the Academy, and then respond to advise if a place is available or not.

Fair access protocol

All local authorities must have a Fair Access Protocol, which the Academy is required to be part of, to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed into a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the Academy is obliged, as are other schools within the district, to admit a proportion of these children.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group, for instance, where a child is gifted or talented or where a child has suffered from learning, social or medical issues impacting his or her schooling.

When such a request is made, the local academy board will decide based on the circumstances of the case and in the best interest of the child concerned, considering the view of the Principal and any supporting evidence provided by the parent. The process for requesting such an admission is as follows:

Parents should submit an e-mail or letter to the local academy board, via the Admissions Officer, to request that the child is admitted to another year group (stating which year group) and the reasons for their application. Included with the e-mail or letter should be any evidence in support of their case; some of the evidence a parent might submit could include:

- o information about the child's academic, social, and emotional development
- o where relevant, their medical history and the views of a medical professional
- o whether they have previously been educated out of their normal age group

The local academy board will advise the parent whether the request for admission out of age group has been agreed or the reason for any refusal. Where the local academy board refuses such a request, there is no right of appeal against a refusal to offer a place in the preferred age group. The right of appeal only applies against a refusal of a place at the Academy.

Waiting lists and appeals

Waiting lists

If your child is not offered a place at the Academy for Year 7, your child's details will automatically remain on the waiting list until the end of December i.e., one term after the start of the year. You will need to make a fresh application in January for your child's details to remain on the waiting list (see In Year Admissions section for how to apply).

For other in-year applications, the details will remain on the waiting list until the end of the academic year in which you apply (July). You will need to make a new application if you wish to apply for a place for the next academic year.

Where places become available, they will be filled in accordance with the oversubscription criteria.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. This is a legal process, and places are not 'reserved' for appeal panels to offer.

Further information about the appeals process can be found on the Academy's [website](#).

If you are considering an appeal, please contact the Appeals Coordinator for further information.
