There is free off-street parking however some of this may be time limited, please check the appropriate signage.

All visitors are required to sign in and will be issued a visitor pass with lanyard which always has to be visible.

When leaving the pass must be handed in at reception as you leave.

There are separate reception areas for DTA & DMP.

DMP is accessed to the right of the building.

DTA is at the front of the building directly in front of you as you drive in.

The perimeter gates are closed through the day, to gain entry, press the call button on the Intercom to speak to the reception staff.

On leaving the car park the vehicle gates will automatically open as you approach them, do not drive past the STOP sign.

On leaving premises via the pedestrian gate please press the grey button on the black post as you approach the gate, pull the pedestrian gate to exit.

On hearing the fire alarm bell, visitors should evacuate the building immediately. For DTA visitors, the safety meeting point is on the yard at the side of the building, see map above, and for DMP visitors the safety meeting point is on the field at the front of the building. All fire exits are clearly marked and all classrooms and offices have an Escape Plan situated on the wall, visitors should make themselves familiar with these.
