

Dixons NQT Network

The Dixons NQT Network will provide all Newly Qualified Teachers across the Dixons Trust with a regular professional forum where they are supported by their colleagues, have opportunities to collaborate in subject specific groups and gain inspiration from other talented Dixons teachers and evidence informed pedagogy.

Each term in 2019-20, the Dixons NQT Network will gain knowledge of strategies and evidence for one of the following themes:

Time management

**Numeracy at
greater depth**

**Working with other
adults**

**Supporting
SEND children**

Career development
