

# Dixons RQT Network

The Dixons RQT Network will provide all Recently Qualified Teachers across the Dixons Trust with regular training and an opportunity to carry out a **Disciplined Inquiry Model\***. Through **collaboration** with other talented Dixons colleagues, and through the use of informed **research** and evidence, our teachers will be able to **transform** their professional understanding and practice and, subsequently, have a positive impact upon our students' learning in the classroom.

*\*Disciplined Enquiry Model from  
Huntington Research School*
