

**Dixons Croxteth Academy  
Admissions & Appeals policy  
for the admission year 2023-24**

Responsibility for review: Executive Principal

Date of next review: October 2023

Determined by: Trust Board – Following Consultation on **DATE**

## Admissions

### Statement of Policy

The Academy is committed to:

- admitting an intake reflective of the local community
- resolving a situation where there may be more applications than places available
- providing a consistency of approach in a potentially emotive area
- demonstrating that we are applying our oversubscription criteria equally and fairly
- ensuring that children with special educational needs, disabilities, and vulnerable children, are not treated less favourably than other applicants
- working collaboratively with all schools within the local authority to improve behaviour and reduce exclusions by participating in the writing of and adhering to the Fair Access Protocol

### The aims are:

- to ensure that places are awarded fairly and openly
- to ensure that parents are aware of the admissions procedures
- to guarantee that all legitimate applications will be processed efficiently and within an agreed time span
- to demonstrate that our procedures comply with the School Admissions Code
- to provide an appropriate appeal procedure for those who are dissatisfied with the outcome of their applications which complies with the School Admission Appeals Code

## Procedures for Year 7 entry

### The admission arrangements are:

- a) There are 120 co-educational places in Year 7 (i.e. for both girls and boys).
- b) Applications for places at the Academy will be made in accordance with the local authorities Coordinated Admission Scheme, as published on Liverpool Local Authority's [website](#). Where the Academy receives more applications than places available, the oversubscription criteria for admission will apply.
- c) Applications must be made on the Common Application / Preference Form (CAF / CPF) provided by the local authorities by the stated deadline.

### Oversubscription criteria

The Academy has an agreed admissions number of 120 children for entry in Year 7. The Academy will accordingly admit up to 120 children in the relevant age group each year if sufficient applications are received. All children will be admitted if 120 or fewer apply.

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

- a) Looked-after children or children who were previously looked-after. See note 1 for a definition of these terms.
- b) Children who have exceptional medical or social need, supported by a written recommendation from the child's paediatrician / consultant or a professional from Children's Services. The recommendation must explain why the school is the *only* suitable school to meet the child's needs and why *no other school* could provide the appropriate support for the child.

Prioritisation will be decided based on the information received and parents will be informed if the application meets this criterion before the end of December. See note 2 for how to apply

- c) Children whose siblings live at the same address, currently attend the Academy, and will continue to do so on the date of admission (see note 3 for a definition of sibling). If demand exceeds places at this point, places will be decided based upon proximity to the Academy (as detailed at point d).
- d) Admission of children based on proximity to the Academy using straight line measurement (see note 4) from the school to the home address (see note 5).

Where the offer of places to applicants with equidistant addresses would lead to oversubscription, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 6).

## Notes

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, child arrangements order or special guardianship order and includes those who appear (to the Governing Body) to have been in state care outside of England<sup>1</sup> and ceased to be so because of being adopted.

2. Applications must be in the form of a letter or e-mail to the Governing Body of the Academy, sent via the Admissions Officer, and accompanied by the supporting information described above.

The e-mail or letter is required in addition to the submission of a completed local authority application form.

3. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters living at the same address. It does not include cousins or other family members sharing a house.

4. Straight line distance is measured between the child's permanent home address and the main entrance to the Academy. The points are measured by Liverpool local authority and are determined by the LLPG (Local Land and Property Gazetteer) data and national grid coordinates for the school and the permanent home address.

5. 'Home address' refers to the child's permanent home at the time of admission; this is defined as the permanent home address of the child's parent(s) or legal guardian(s).

If parents or legal guardians live at different addresses and both have parental responsibility, the address of the parent or legal guardian claiming Child Benefit will be used to determine the child's permanent address. Proof of residency may be required at any time during or after the allocation process.

6. The applications will be allocated a random number of between 1 and 8 that contains up to 7 decimal places. The numbers will be allocated by a computer programme and ranked from the smallest number at the top of the list to the biggest number at the bottom.

The randomisation process will be supervised by an independent clerk of the independent appeals panel.

## Calendar for admission (secondary)

*August / September 2022*

Local authority information and common application / preference form (CAF / CPF) is made available.

*September / October 2022*

Open event – for details of this, please see the Academy website

*31 October 2022*

Deadline for receipt of:

- local authorities' common application / preference form (CAF / CPF)
- letters or e-mails and any supporting documentation in relation to applications under exceptional need.

*1 March 2023*

Local authorities write with offers made to parents for all schools in their schemes.

In the event of oversubscription, those children who cannot be offered a place will automatically remain on the waiting list at the Academy until the end of December.

## In-year admissions 2022-23

There are 120 places in Year 7.

The number of places in Years 8 - 11 will be boys only (as now) and capped at the number on roll in that cohort on the date of conversion to a Dixons Academy. The numbers are as follows:

Year 8	Year 9	Year 10	Year 11
tbc	tbc	tbc	tbc

<sup>1</sup> A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Where vacancies occur, places are not offered based on the length of time children have been on the list but are filled in coordination with the Local Authority and in line with the oversubscription criteria stated above. It is, therefore, possible that a child may be added to the list who qualifies more highly within the criteria than children already on the list because each time a child is added, the list will be ranked again in line with the published oversubscription criteria. Looked after children, previously looked after children, and those allocated a place at the Academy in accordance with a Fair Access Protocol (explained below) take precedence over those on a waiting list.

If you wish to move your child from another secondary school within Liverpool to the Academy, please speak to your child's current school to instigate an in-year transfer. Your child's school will then contact the Academy to see if a place is available and advise you of the outcome.

If you are new to the city, your child attends a school in another local authority, or your child is returning from home education, please apply via Liverpool City Council School Admissions [website](#) or contact the Council on 0151 233 3006.

### **Fair access protocol**

All local authorities must have a Fair Access Protocol, which the Academy is required to be part of, to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed into a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the Academy is obliged, as are other schools within the district, to admit a proportion of these children.

### **Admission of children outside their normal age group**

Parents may request that their child is admitted outside their normal age group, for instance, where a child is gifted or talented or where a child has suffered from learning, social or medical issues impacting his or her schooling.

When such a request is made, the Governing Body will decide based on the circumstances of the case and in the best interest of the child concerned, considering the view of the Principal and any supporting evidence provided by the parent. The process for requesting such an admission is as follows:

Parents should submit an e-mail or letter to the Governing Body, via the Admissions Officer, to request that the child is admitted to another year group (stating which year group) and the reasons for their application. Included with the e-mail or letter should be any evidence in support of their case; some of the evidence a parent might submit could include:

- information about the child's academic, social, and emotional development
- where relevant, their medical history and the views of a medical professional
- whether they have previously been educated out of their normal age group
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The Governing Body will advise the parent whether the request for admission out of age group has been agreed or the reason for any refusal. Where the Governing Body refuses such a request, there is no right of appeal against a refusal to offer a place in the preferred age group. The right of appeal only applies against a refusal of a place at the Academy.

## **Waiting lists and appeals**

### **Waiting lists**

If your child is not offered a place at the Academy for Year 7, your child's details will automatically remain on the waiting list until the end of December i.e., one term after the start of the year. You will need to make a fresh application in January for your child's details to remain on the waiting list (see In-Year Admissions section for how to apply).

For in-year applications, the details will remain on the waiting list until the end of the academic year in which you applied (July). You will need to make a new application in July if you wish to apply for a place for the next academic year.

Where places become available, they will be filled in accordance with the oversubscription criteria.

### **Appeals**

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Further information about the appeals process can be found on the Academy's [website](#).

If you wish to receive an appeals pack, please contact the academy via e-mail [hello@de-la-salle.co.uk](mailto:hello@de-la-salle.co.uk) or by telephone 0151 546 3134.
