

Dixons NQT Network

The Dixons NQT Network will provide all Newly Qualified Teachers across the Dixons Trust with a regular professional forum where they are **supported** by their colleagues, have opportunities to **collaborate** in subject specific groups and gain **inspiration** from other talented Dixons teachers and **evidence informed pedagogy**.

Each term in 2019-20, the Dixons NQT Network will gain knowledge of strategies and evidence for the following facets of great learning:

Questioning

Assessment

Differentiation and
Tailoring

Metacognition

Memory
