

Dixons RQT Network

The Dixons RQT Network will provide all Recently Qualified Teachers across the Dixons Trust with regular training and the opportunity to develop relationships with colleagues across the Trust. Informed by research and evidence from our academies, RQTs will spotlight the key classroom challenges and carry out a **Disciplined Inquiry**. Our teachers will be able to develop and share their professional understanding and practice and, subsequently, have a positive impact upon our students' learning in the classroom.

All sessions will be held on Wednesdays at Dixons Kings Academy, 4.15 for 4.30pm start to 5.45pm
