

# Dixons Teaching Institute Professional Development

## Dixons Inquiry

For **any** teachers interested in educational research and the mechanics of teaching.  
Apply educational research to your classroom to improve student learning.

With twilight meetings once per Dixons term, this programme includes:

- an introduction to types of educational evidence
- researching a barrier to learning in your classroom
- developing an inquiry question to improve an aspect of learning
- researching and trialing a 'best bet' teaching strategy and evaluating how it works.

**Apply: contact your CPD Lead  
by 23 September**
