

Dixons Teaching Institute Professional Development

Dixons Middle Leader Development Programme

This leadership programme empowers new and aspiring middle leaders from across our academies. You will be inspired by Dixons leaders, share your experience and learn with colleagues, building a network of support. The touchstone of the programme is how we can ensure that our actions as leaders challenge disadvantage.

Twilight sessions include:

- leading and managing yourself
- leading change
- leading and influencing others
- effective intervention
- leading teaching and learning
- your next steps.

And:

- review of evidence and Dixons case studies
- reflection and practice
- leadership coaching from a senior or experienced middle leader
- pre reading material (40mins, 1-2 sessions per term)
- an impact project, enhancing an existing Appraisal / PGP objective.
