Welcome to Dixons Broadgreen Academy (DBA)

At Dixons Broadgreen Academy, our mission is to provide all students with a first-class education; one that opens every door in their adult life to maximise their life chances in the future. We are committed to empowering every individual so that they fulfil our mission of ensuring every student succeeded at University or real life alternative, thrived in a top job and lived their best life.

Students and staff are committed to three core values that underpin who we are and how we behave:

1. Work Hard

Whatever it takes for as long as it takes and never give up.

2. Have Integrity

We do the right thing because it's the right thing to do. We support each other without excuses.

3. Be Fair

We play by the rules, we are polite, courteous and fair in all we do.

Academy life is the embodiment of these values, and they underpin every routine and interaction.

The highest of expectations delivers the best outcomes and improves the lives of young people so we are relentless in our work with students and families and this requires dedication and support from all members of our school community. We work hard, uphold our standards, treat everyone fairly and behind everything we do is the conviction that education and high expectations are the recipe for success.

We will always do our best for our students to provide an outstanding all-round education, yet at the same time we acknowledge that we cannot be perfect and occasionally we will get things wrong. So, if you have any reason for concern, please do not hesitate to contact the academy; you will always find someone who is able and willing to help.

Rachael Fidler
Principal

Our mission is to ensure every child succeeded at University or a real alternative, thrived in a top job and lived their best life.

CRITICAL QUESTIONS

Why do we exist?

To challenge educational and social disadvantage in the North

How do we behave?

Work hard - determined to get things done

Be good - behave with integrity and honesty

Be nice - show humility and be a positive team player

What do we do?

We establish high-performing non-faith academies which maximise attainment, value diversity, develop character and build cultural capital

How will we succeed?

Academic rigour. Aligned autonomy - finding the optimal balance between consistency and self-determination

Talent first

At Dixons Broadgreen Academy, we ask students to live our core values: work hard, have integrity and be fair.

The Peaks

Dixons Broadgreen Academy is a secondary school serving students aged eleven to eighteen located in the area of Broadgreen in Central Liverpool. During their seven years with us, students move through three distinctive key phases described below. In each phase, students are supported to meet, and exceed, age-related expectations whilst preparing for the next stage in their education.

Lower Peak – independent students Year 7, Year 8, Year 9

Students are supported to be responsible learners and develop subject knowledge to make informed decisions about their future.

This peak marks an important transition for primary students as they embark on the secondary phase of their education - they truly begin to develop and demonstrate our driver of autonomy. Reading remains a key focus as students develop the fluency to be more self-directed in their enjoyment of a wide range of texts from different cultures, genres and time-periods. The co-curriculum model is established, with a range of electives for students to choose from, to add greater breadth and depth to the formal curriculum. Year 7 marks the beginning of secondary education where students bring and build on the wealth of knowledge learnt and retained at the beginning of this peak. During this phase, students will develop a greater sense of responsibility and independence both at school and home.

Middle Peak – expert students Year 10, Year 11

Students are supported to become subject specialists and critical academics in readiness for further education and having a great life.

In this peak, students will continue to study a rich and broad curriculum, underpinned by rigorous academic reading whilst deepening their understanding of chosen subjects. Reading for enjoyment and fulfilment supports both their academic and personal development and allows students to access the best of what has been thought and written. In this phase, students manipulate both the linguistic and physical aspects of oracy to suit a variety of different contexts and purposes; they become fluent, confident, and articulate speakers. Co-curricular electives remain an important part of their life at the academy. The driver of purpose is manifested through student leadership as students from Middle Peak support their younger peers in a variety of ways through paired reading and tutoring to mentoring and guidance. By the end of this phase, students will be prepared to sit both high tariff GCSE and vocational qualifications and have mastered the knowledge and skills of each subject domain in readiness for study at Upper Peak and beyond.

Upper Peak – specialisms in Year 12, Year 13

Students in our sixth form provision are supported in their specialisms in readiness for University, real life alternatives and top jobs.

In this peak, students will have narrowed their subject choices to those best suited to adult life and the career pathways they are heading towards. Independent study based around tailored specialised courses supports academic and personal development and allows students to master the best of what has been thought and written in their chosen fields. Co-curricular electives remain an important part of their life at the academy. The driver of purpose continues to manifest through student leadership opportunities as students from Upper Peak support their younger peers in a variety of ways. Upper Peak students will receive solid support throughout by a team of experienced staff during their time at the academy. By the end of this phase, students will be prepared to enter University life, a high level apprenticeship or a top job.

- All students begin their day with Morning Meeting which includes: retrieval practice; literacy and numeracy; strengthening of school culture; value expectations reset; and appreciations / recognition.
- Same day corrections (detentions of up to 1 hour) start at 15.20 (3.20pm) on Monday to Wednesday; and 14.25 (2.25pm) on Thursday and Friday.

*DEAR – Drop Everything and Read

**Students finish at 2.25pm on Thursday and Friday.

Mastery

Mastery is the urge to get better at something that matters. This key driver will help ensure that we set and maintain the highest standards of achievement, progress, learning and teaching.

Teaching and learning

At Dixons Broadgreen Academy, our mission is simple: we want all children to succeed at university, or a real alternative, thrive in a top job and have a great life.

We achieve this mission through an unwavering focus on attainment, and by offering the very best teaching and support. Our practice is thoroughly rooted in our three core values: determination, integrity and respect.

At Dixons Broadgreen Academy, we build a partnership between parents, students and teachers that puts learning first. We help our students to value learning by activating them as owners of their own learning.

Our teachers have real respect for their learners as people with ideas of their own. They are passionate about teaching and learning, and able to present challenging learning tasks. Their expertise allows them to 'read' their classrooms and to be more responsive to learners. They are extremely flexible and take every opportunity to maximise learning. They are great seekers and users of feedback.

In our classrooms, we use schemes of work and lesson plans, we value knowledge, skills and understanding.

We insist on good learning habits day-in and day-out with high expectations and no excuses. The mantra is an important part of our teaching and sets the tone for the learning that follows. It should always be upbeat and enthusiastic, setting the scene at the start of each lesson.

We expect all students to make outstanding progress over their time at Dixons Broadgreen Academy. This will result in nearly every student succeeding in achieving at least eight good GCSEs including English and Mathematics; the majority will achieve the English Baccalaureate.

Curriculum

The start of secondary school marks an exciting phase in the lives of our students as they build on fundamental knowledge learnt during their primary education forming ever wider and deeper schema. Students study English, mathematics, science, French or Spanish, geography, history, religious education, art and design, computing, music and physical education. In Year 9, our longer day means that students can study the same range of subjects as in Year 7 and Year 8 as well as start to specialise in their examined subjects.

Our GCSE curriculum is broad and balanced with a strong core in the EBacc - English, mathematics, science, triple science, French, Spanish and history or geography. As well as the EBacc, all students take core PE and can choose three further options from a range of high value subjects such as: computing, art and design, music and sport.

Our five-year secondary phase curriculum is designed to be ambitious and as broad as possible for as long as possible so that students engage with the best of what has been thought and said; as such, they acquire powerful knowledge that builds wider cultural capital. Our curriculum is designed so that students can master the basics as well as offer more flexibility so that teachers can tailor their teaching to students' needs and aspirations.

We value each other.
We promote the hopes,
qualities and achievements
of every member of
our community.

There are four key principles underpinning the design of the academy's curriculum:

- All students have access to a broad, balanced, and coherent curriculum that supports learning.
- A strong core ensures that basic skills are embedded at an early stage so that students are able to access the wider curriculum.
- A curriculum which is knowledge rich and focuses on the EBacc and other high value qualifications.
- An extended curriculum ensures all students have access to catch-up, extension and enrichment.

Subjects studied and time allocations

The table below displays the weekly allocation of lessons per subject:

Weekly lesson allocation					
Subject	Year 7	Year 8	Year 9	Year 10	Year 11
English	5	5	5	5	5
Mathematics	5	5	5	5	5
Science	5	2	2	5	5
History	2	2	2	4*	4*
Geography	2	1	1	4*	4*
RE	1	2	2	4*	4*
Spanish / French	2	1	1	4*	4*
Computing	1	1	1	4*	4*
Art	1	1	1	4*	4*
Design Technology	1	1	1	4*	4*
Performing Arts	1	2	2	4*	4*
PE	2	5	5	4*	4*
Core PE				1	1
Total	28	28	28	28	28

* This asterisk represents options subjects. Students choose 3 options subjects during Year 9 and, in most subjects, start their GCSE or BTEC courses in Year 10.

Literacy

Our duty is to develop students who are confident readers, writers, speakers and listeners, who value these life skills and strive to improve them. We recognise that it is the responsibility of all staff from all subject areas to teach literacy skills because reading, writing, speaking and listening are integral to all subjects.

In order to raise the profile of literacy across the curriculum, to support students with their learning and to raise standards across the curriculum, there are three 'literacy' expectations of all students at all times:

- 1. Reading daily in advisor groups and independently at home (reading)**
- 2. Speak in full sentences and no slang (speaking)**
- 3. Track the speaker/s (listening)**

Each day, there is also a 20-minute session of DEAR (Drop Everything and Read). Students are expected to complete tasks such as: read in silence, discuss their reading and complete a reading log. DEAR books will be age appropriate, provided by school and provide a suitable level of challenge – texts which rely on graphics, rather than the written word, are not permitted. Advisors are required to read aloud with their advisory groups, facilitate class discussion and check reading logs. It is expected that students will read for at least 30 minutes each evening.

Modern Foreign Languages

At Dixons Broadgreen Academy, French and Spanish are offered as the core languages. The language that Year 7-9 students study, for the most part, will be informed by the language they have previously studied during the Primary phase of their education.

Both French and Spanish are major world languages – their combined first-language speakers total over 550 million. We are firm in our belief that studying a modern foreign language will improve our students' problem-solving and critical-thinking skills, will make them more employable in the future and give them an enhanced connection to the wider world.

The focus should be on the development of listening, speaking, reading and writing skills, on the development of cultural awareness and understanding, and on language awareness. It therefore does not matter which language is studied at secondary school; those who have experienced effective primary language teaching and learning should experience accelerated progress in their secondary language studies.

Personal Development Studies

We are committed to ensuring that our students develop into young adults with the knowledge, understanding and skills to make informed decisions in their future life. We have designed Personal Development Studies (PDS) around DfE Guidance for Personal, Social and Health Education (PSHE) and Relationships and Sex Education (RSE).

Health and Sex Education

This is covered during Science, PDS and RE lessons. Outside agencies may come into the academy to talk about diet, hygiene, exercise, and relationships and sex. The facts of life are taught in Science lessons as part of the National Curriculum and backed up with discussions on relationships and moral values in RE lessons.

Co-curricular

All Dixons schools aim to provide a varied and rich programme of co-curricular electives. In time, all students in Years 7, 8, 9 and 10 will be encouraged to attend 2 hours of co-curricular electives each week. Examples of co-curricular often offered includes public speaking, drama, dance, chess, music, art, STEM and sport.

At Dixons Broadgreen Academy, involvement in co-curricular electives will be just as important as academic study. Our co-curricular programme will enable students to commit to the wider life of the academy and immerse themselves fully in our culture.

Students will also have the option of other extra-curricular activities after school. These sessions mainly focus on subject clubs, student-led societies and matches for those representing the academy in sport.

The Summits

The Summits are one of our distinctive features at Dixons Broadgreen Academy and enhance and enrich the academic curriculum. They provide each student with a sense of purpose so they become well-rounded individuals who will thrive at university, in the professional world of work and ultimately, in life.

Throughout the course of their time at the academy, students will pledge to meet each of our summits, which will enable them to gain confidence, learn new skills, develop a sense of pride, exercise leadership, meet new people and increase their sense of responsibility and commitment.

The Summits provide students with the opportunity to commit to the wider life of the academy and, therefore, immerse themselves fully in our culture from Year 7 through to Year 11. They are also important milestones for each child and create valuable experiences which support their learning in other areas.

Educational visits and outdoor education

Dixons believe in developing the whole child, including their wider experiences to develop their cultural capital. To that end, during a year and as we grow our culture over time there will be a wide variety of educational visits available to the students. These will range from local visits within lesson time to nearby places of interest, to residential activities further afield.

Parents will always be given reasonable advance notice of visits and will be informed as to which visits are compulsory and those that are optional. If a visit takes place within the normal academy day and within a one mile radius of the academy, then we will inform parents / carers of the visit by text or a note in their child's planner. Those that are further afield, will have details shared via a letter as well.

As part of the academy life and the National Curriculum, all students must take part in and experience a variety of outdoor activities. It is our aim to that all students in Years 7, 8 and 9, experience a residential activity (for up to three nights) and that **every student participates** in these experiences.

Homework

In Y7 - 9, students should complete 90 minutes of homework per evening. This is divided in to 30 minutes of DEAR (reading), 45 minutes of revision based on knowledge organisers and an average of 15 minutes on their 'stretch project' when set. They will also have an online homework for Maths each week which should amount to about 45 minutes per week. In Y9 students will also receive an extended homework set weekly in the EBacc focusing on applying their knowledge in flexible ways.

In Y7 - 9 students will also receive homework in non-EBacc subjects. This will be set by their class teacher and handed in to them on a weekly basis.

In Y10 - 13, students should complete at least 2 hours of homework per evening. This is divided in to reading, revision and work on their 'stretch project' when set. They will also have an online homework for several subjects each week, which should amount to about an average of 1 hour per week.

Types of homework

100% sheets (provided by the school) are used for daily homework revision which is set in Morning Meeting. Students should use look, cover, write, check to learn the content of a given section of their 100% book (provided by the school). They are expected to fill a sheet of A4 paper from top left to bottom right, with no gaps, using this method. A green pen should be used to check they have recalled the information correctly by ticking the emboldened words. Students will sit a weekly test every Friday, in Morning Meeting, to determine if the revision is being completed accurately.

Additional homework will be set by subject teachers where appropriate.

How to support with your child's homework

Students must complete 30 minutes DEAR (reading) each night in addition to the EBacc revision set in the student planners and on the homework 100% sheet. It is important that you encourage your child to read challenging books. Your child's advisor will be able to help support the selection of a challenging book.

Alongside reading, your child should be revising from his / her 100% book every night. This book contains all the key knowledge your child needs to succeed in each subject. Every night, you can support your child by quizzing them on the section they have been learning. All your child needs to do is memorise the sheets in their 100% book, so you do not need to have any additional knowledge to support them with this.

There are also two key websites that you can refer to for additional learning opportunities for your child. For mathematics, we recommend Hegarty Maths, for English BBC Bitesize and science Seneca Learning. If you would like any additional material, please consult your child's advisor.

Equipment

There are a number of items that students must bring to school:

Daily:

A pencil case containing:

- 2 black pens
- 2 green pens
- black whiteboard pen
- pencil
- rubber
- ruler
- Clear, plastic pencil case

Mathematics:

- calculator – a Casio FX83GT X (Calculators can be purchased through the equipment shop at a reduced price)

Art and Design:

- 1 x 2B pencil
- 1 x 4B pencil
- 1 x packet water-colour paints
- 1 x packet coloured pencils
- 1 x nylon paint brush Size 5 and / or 8

The following items will be useful to have at home:

English:

- An English dictionary and thesaurus

Languages:

- A French or Spanish dictionary

Autonomy

Autonomy is the desire to direct our own lives. This key driver will help ensure we create a disciplined and joyful school culture. We will teach students about how to learn, not just what to learn.

From the first day at Dixons Broadgreen Academy, your child will be expected to pick up and keep our learning habits which we believe every student has the ability to demonstrate. In doing so, each student will thrive at our school and will have the skills they need to be successful at university.

We have high expectations and accept no excuses. Whilst sometimes this may be challenging, we expect our students to live by our learning habits 100% of the time. If they do this, their hard work will be recognised. However, if any of the Learning Habits are not met, a same-day correction will be issued. It is vital that this is served on the same day so that the student is given the opportunity to reflect on his / her mistake. This allows the student to take the necessary next steps to improve on the following day.

Learning Habits

Here are the 6 habits that we will insist on, day-in and day-out:

Positive response

Like a referee, sometimes teachers get things right and sometimes wrong, but they do their best with the information they have at the time. However, it is totally unacceptable for a child, as with a sports person, to disrespectfully answer back or question a decision in front of a class. It stops others from learning, and it undermines all respect for the teacher. This is a very bad learning habit to get into. Responses must be positive and fair for all parties involved.

Uniform

We will insist on perfect uniform: not nearly perfect but perfect. This is because we want children at Dixons Broadgreen Academy to be proud. Evidence suggests that sloppy uniforms lead to sloppy behaviour and sloppy learning habits for many students.

Homework and deadlines

We will insist on all homework being completed on time and to a good standard, neatly and with pride. Please see the homework timetable in your child's 100% book. Please sign the planner weekly. To support students completing the homework we will offer a weekly homework club and we also open a space to complete homework at lunchtime, break time and before school. No child, therefore, has any reason not to do it. All homework must be done for the right day and time.

On-task

We will insist on focused learning in class. When a teacher has carefully planned a lesson and other students are trying so hard, it would be unfair for a child to cause a distraction from learning for themselves or others.

Punctuality

We will insist on punctuality to school and to each and every lesson. Every child should be ready for line up and morning meeting, with all of the equipment they will need, by 8.20 am each day. A child will be considered late if they do not arrive within 3 minutes to the start of each lesson. Please support this by keeping to bedtimes and preparation time in the morning before school. Your child will worry about this at first, but s/he will soon pick up the good habit.

All students work hard every day to achieve great outcomes and to secure a better future for themselves and others.

Equipment

We will insist that every child carries an appropriate pencil case, their planner, the right exercise books, 100% book and textbooks (where relevant) to every lesson. At first, you could help by packing bags with your child, but you should expect them to check their timetable each night and learn for themselves very quickly.

Over the summer, you could help them arrange a shelf with labels so that they can always pick up the correct book at the right time for the next day. There's no time like the present to plan a good system together. Remember, they will be going from lesson to lesson, six or seven times a day: they need to be taught at home now how to be organised and responsible.

Sanctions

Our system of sanctions is very simple, and we are counting on your support. If you are worried about it, the best way to avoid it is to make sure your child picks up the learning habits and sticks to them every single day. Please use some of the summer to get them into the right frame of mind.

If any of the Learning Habits are not adhered to, we will contact you that day and let you know that your child has a 30-minute correction (detention) that night. If a child breaks more than one rule on any given day, then they will receive a 1-hour correction. Additional sanctions may be required for persistent poor adherence to the learning habits – this would be discussed with you if it was necessary.

The evidence from the UK and abroad suggests that the sanction must be immediate (a detention three days later doesn't work with children) and it must be specific to the problem. Please make sure no one gets a correction on their first day at school!

We don't want to punish anyone. We believe that children should control themselves (it is not our job to control them). If anyone doesn't want a correction s/he simply sticks to the rules (they don't answer back, wear the wrong uniform, fail to do satisfactory homework, go off-task in lesson, arrive late or forget their equipment).

Our system is so simple and fair that students should not get a correction in the first place. If a correction is given, please do not see it as 'the end of the world'. Your child simply does the 30 minutes and gets a totally fresh start the next day!

Due to transport issues, please remember to explain how important it is that your child doesn't get a correction: there may be no bus after the correction, and you may have to make arrangements to get them home. Please do not blame us for this, rather discuss how inconvenienced your child made you. This will further develop good learning habits and consideration for you and the family.

If your child fails to attend a correction (or presents with more serious behaviour or receives three corrections in a single day) then s/he will have crossed our 'red line'. This means that your child will likely

spend the next day in an isolated from the rest of the school community to reflect on their behaviour. The consequences of missing a second correction, quite rightly, will be very serious and could result in exclusion.

Advisory

All students have an advisor who they see during DEAR (Drop Everything and Read) each day. At least three times each year students will meet with their advisor to review their progress and to determine next steps in their learning.

Each cycle, you will either receive feedback from your child's advisor to update you on your child's progress or you will have the opportunity to meet them face to face at a parents' evening. However, you are also welcome to contact your child's advisor with any issues you wish to discuss. Please telephone the academy to arrange an appointment with them.

Individual Needs

The academy encourages high aspirations, high motivation and high achievement for all. This vision applies equally to students with any special educational need. Our philosophy is to educate students as far as possible within the normal provision of the academy, which includes a strong teaching model and early intervention with extra teaching and individual attention for students who are having difficulty reaching the expected standards. Additional support for students is provided under the direction of the SEND department.

The SEND department is for all students – be they disabled, more able, dyslexic, dyspraxic, ASD, with learning or behavioural difficulties, or for students who just need advice and support.

Our team will always be there to help and support the students. Should you require any assistance or have any queries regarding the academy's provision for your child, please contact the SEND department who will arrange to meet with you.

Daily attendance

It is essential that students arrive at the academy in plenty of time to organise themselves for the start of their day.

Students wishing to stay after school to complete

homework must be in the designated areas. Alternatively, they must be registered at one of the published subject catch-up sessions or optional co-curricular sessions.

Absence

When a student is absent from the academy with no advance notice, for example because of illness, parents must telephone the academy that same morning, and each subsequent morning, to inform us of the reason for absence **before 8.30am**. It is possible to leave messages on the student absence voicemail at any time prior to 8.30am. To report an absence, please dial the main academy telephone number and select the appropriate option.

Please note that only **emergency** appointments for dentists, opticians, and doctors should be during school hours. Routine appointments must be made out of school hours. When it is known in advance that an absence is to be requested for such emergency appointments this can be requested through the attendance team and leadership group.

Absence is monitored very carefully at the academy. Every day missed is a learning opportunity wasted.

Leave of absence

Leave of absence during term time is no longer permitted. If there is an emergency situation, you would need to book a meeting with the Principal (or a member of the leadership team they designate) to discuss any prolonged absence. Any extended absence from the academy will be counted as unauthorised and can lead to a fixed penalty notice from the Local Authority. In order to avoid personal opinion and to ensure complete fairness for all, we refer all planned leave of absence to the authority.

Religious leave of absence

The academy community does grant the statutory leave of absence of up to two days, in order that students can observe important religious festivals.

Requests for such leave of absence are obtainable directly from reception in the form of an LOA with a reply slip, which parents need to complete and return.

Dress code

As with all schools, the academy has a dress code that all students are expected to follow. There is an emphasis on being clean, tidy and presentable. We are preparing students for the professional world of work. Students should recognise that conflict over the dress code is inappropriate. Our dress code is practical and allows a choice within very clear boundaries. The dress code applies both within school and on the journey to and from school. Failure to adhere to the uniform policy will result in a correction. The current full uniform expectation is stated below. Should you have any questions or concerns about any item of the dress code, please contact your advisor, we are happy to give advice where needed – and we would always prefer to help families avoid unnecessary purchases of items that are not permitted.

The KS3 uniform (Y7- Y9) consists of the following:

- Graphite grey Trutex blazer with logo.
- White shirt (no coloured garments underneath the shirt).
- Copper clip on tie with school logo
- Grey or black V neck jumper with a copper V (optional item).

What is the PE Kit?

The PE Kit is a bespoke kit designed in collaboration with the PE Department at Broadgreen in consultation with the students.

The core kit consists of an Akoa label Gunmetal Grey buttoned polo shirt (with the school logo) which has lighter grey and white inserts. The skort or shorts and PE socks are in the same design, see below for the sample design board.

How will it work and who are the approved uniform retailers?

The approved uniform retailers are WestDerby Schoolwear/ KidsKirkby Ltd (online: alphaschoolwear.com)

Trutex on London Road is also an available retailer. Core uniform items (skirt, trousers, pinafore and socks) could also be purchased from Laser Schoolwear (London Road) and other retailers.

What will GCSE PE students wear?

GCSE PE students will wear the school PE kit in lessons and girls will have the option of Akoa branded black leggings and / or the additional items of a black / white quarter zip top and slim fit jogging trousers. All items can be ordered from the approved retailers.

Student planner

At the beginning of each year, students are issued with a planner. Both advisors and parents are expected to sign the student's planner each week. In this way, the parent can see comments from the advisor or from subject tutors, and parents can also communicate with the advisor if they wish. The planner is a very important document and students are expected to take great care of it. If the planner is lost or defaced, a student will be expected to replace the planner at a cost of £5. They can purchase their new planner from the equipment shop.

Lunchtime

We expect all students to eat the healthy meal provided by the academy at lunchtime. There are a range of healthy options to accompany the meals offered, followed by dessert or fresh fruit choices. All students are seated expected to be seated at tables for lunch and are expected to eat the food provided or bring their own healthy packed lunch. The menu is reviewed regularly and student feedback is welcomed via the students leadership

Students may bring a healthy snack for break; however, students are not allowed to bring in sweets, chocolate, crisps or fizzy drinks. If a student brings in anything forbidden by the academy, items will be confiscated, and students will receive a sanction. Chewing gum is not permitted. If students are unsure whether a snack is classed as healthy, they should consult a teacher or a member of SLT before eating it in the academy.

Cashless catering / ParentPay

It's simple, safe and convenient and your child no longer needs to carry cash into school. ParentPay is an online payment system for schools. It allows parents to pay quickly and securely for school meals, trips and activities, uniforms, music lessons and fees. You simply top-up your ParentPay account online by debit or credit card, or in cash through PayPoint stores. Your ParentPay balance can be used immediately to pay for any of your children's items at school using ParentPay.

What are the benefits to parents and students?

- ParentPay is easy-to-use and will offer you the freedom to make online payments whenever and wherever you like, 24hrs a day 7 days a week.
- The technology used is of the highest internet security available ensuring that your money will reach school safely – offering you peace of mind.
- Payments can be made by credit or debit card.
- Full payment histories and statements are available to you securely online at any time.
- Your children won't have to worry about losing money at school again.
- ParentPay will soon be announcing a SmartPhone App to make payments even more convenient.

What are the benefits to our school?

When parents use ParentPay, the benefit to school is huge. You will help us to reduce workloads for all staff, creating more time to lend to educational support and the smooth running of the school. Using ParentPay also ensures that all financial transactions are safe and secure - helping us to remove costs associated with us having to manage cash securely on the school premises.

Purpose

Purpose is doing something that matters, doing it well, and doing it in the service of something larger than ourselves. This key driver will help us to establish a genuine 3-way partnership between families, students and staff. A shared sense of purpose will ensure that Dixons Broadgreen Academy becomes a truly outstanding school and that we make a success of your child's education.

Contact with parents / carers

Parents play a crucial role in ensuring their child achieves at the highest level, meets their goals and makes the most of their opportunities at the academy. We provide regular data for parents to ensure they have the latest information on their child's progress.

Advisors contact the parents of their advisees regularly. We expect 100% attendance at parents' evenings. Advisors should always be the first point of contact for parents.

Parents are given regular information on their child's progress in every subject. Progress reports are sent home twice a year. They are posted at the end of each assessment cycle (13 weeks). This contains additional information including attendance, behaviour and homework.

Other ways the academy may communicate with you:

Texting service: used to pass information to parents about important issues such as corrections and school closures in bad weather – these do not cost you any money.

Please ensure that you update the academy with any changes of mobile number or e-mail address.

Academy website: where you will find up to date information regarding the academy, including policies, and term dates as well as a link to ParentPay.

Letters: regularly sent home with the children and placed in the plastic wallet in their planner. If there is a reply slip, please can you ensure this is returned within 48 hours. Whole school letters are also posted on the academy website, as well as being issued to students to take home.

Drop-in surgery

Whilst we endeavour to respond to any queries or enquiries as soon as possible, the academy does operate a 48-hour response policy. In addition, every Thursday, 8.30 to 9.30am, a member of the Senior Leadership Team will be available to discuss any issue regarding your child. There is no appointment required. If you would like to arrange an appointment with a member of the Senior Leadership Team outside of this allocated time, please speak to one of our administrators located in reception.

Lost property

All students at Dixons Broadgreen Academy must come to school with their all their possessions including school uniform clearly marked with your name. In order for lost property to be returned swiftly to students.

Items that are not named are placed in Lost Property. These are held until the end of term and then put on display for the students to look at. Any unclaimed property will then be disposed of.

We do the right thing
because it is the right thing
to do. We do this even when
people are not watching.

Media, film and photographs

From time-to-time Dixons Broadgreen receives requests from the media to take photographs and or films of academy events and activities. In the majority of cases most parents are happy for their children to be photographed providing those appropriate safeguards are implemented which of course, are always observed by us. Photos and images of our students remain anonymous and students are referred to as 'academy students'.

If you do not wish your child to be photographed or filmed, for public relations purposes, please contact the Principal. In the event that we do not hear from you we will assume that we have your permission.

If you have any queries in respect of this issue, please call the academy.

Smart technology

If students need to make contact with home, they are allowed to use phones in staff offices with permission and at student services. A student does not therefore, have any need for a mobile phone in Dixons Broadgreen Academy. If a family feels that a student needs one for the journey to and from the academy, then the phone must remain, switched off (before entering the school gates) and out of sight in his / her bag throughout the school day.

Any student found using a mobile phone during the school day will have the phone confiscated. If this is the students first time, the phone will be returned at the end of the school day, for a second offence, a parent must come to school to collect the phone, if this happens for a third time, the phone will remain in school for 24 hours.

Personal money

Students at Dixons Broadgreen are allowed to carry personal money to credit their school dinner account or if they use public transport to and from school. The school does operate a cashless catering service for students who do not wish to carry money into school.

School travel plan

Dixons Broadgreen is accessible across via Heliers Road from Broadgreen Road. Students are reminded of the importance of road safety at all times and are encouraged to cross the dual carriageway on Queens Drive or Edge Lane by the pelican crossings at all times. Given the locality of the families we serve, students are encouraged, where possible to walk or cycle to school. Bike racks are available for students to store their bikes securely (locks are not provided by the school). Students should enter the school site via the pupil entrance on Heliers Road. Students are not permitted to ride their bikes whilst on the school premises and must adhere to good road safety at all times.

We ask that parents collecting students, respect residents and do not block private driveways. To ensure the safety of students, the main school gates will remain closed from 14.30 to 15.15. Parents arriving early to collect students must call and arrange this beforehand.

Causes for concern

1. Any parent who has concerns about any aspect of the academy, be it curriculum based, pastoral or administrative, is encouraged to contact the academy at the earliest possible opportunity to register their concern.
2. All such instances will be recorded.
3. Where there is a cause for concern, details will be forwarded to the appropriate senior member of staff for their urgent attention and investigation.
4. Parents will be kept fully informed of the situation and the final outcome.

Leaving the academy

If, for any reason, you have to withdraw your child from the academy, we require the information in writing to the Principal at least one month before the leaving date.

We also need to know which school your child is transferring to as this enables the leaving procedures to be put in place and necessary documents drawn up.

Home - Academy Agreement

The Dixons Difference

The Dixons Difference is our relentless focus on student achievement, led by highly committed and highly professional staff. By creating a can-do, independent culture with an emphasis on self-discipline, we prepare our learners for future success in an ever-changing world. Our Academies put students at their heart and work in close partnership with parents. We value diversity and cultivate happy schools, based on strong relationships, mutual respect, integrity and honesty.

Dixons Broadgreen Academy will ensure that:

- we provide a safe and supportive environment for students to enjoy learning and achieve their full potential
- we provide a consistently high standard of teaching
- students have the best possible education by providing a suitable curriculum and individual support
- we provide parents / carers with regular reports and opportunity for discussion about their child's progress
- we set regular homework
- we contact home to acknowledge students' successes
- we contact home if there are concerns about students' behaviour, progress or attendance
- we contact home immediately if students are to be retained for more than 10 minutes after the end of the academy day
- we provide a wide variety of co-curricular electives and expeditions

Parents / carers will ensure that:

- your child attends every day, on time, unless they are ill
- your child does not take extended family trips or holidays during term-time
- your child has the correct learning equipment

needed for the day, including PE kit when necessary

- you support the academy's policies and regulations on behaviour and uniform including same day after-school corrections (detentions) until 4.30pm after communication from the academy
- you provide a suitable environment for your child to work at home
- your child completes their homework on time and to the highest standard
- you attend advisor consultations and parent / carer evenings to discuss your child's progress, and any other meetings arranged with your support
- you read and sign the student planner every week
- your contact details are up-to-date and you let reception know if your contact details change
- your child participates in co-curricular electives and expeditions
- you pay for the replacement of any equipment or books your child loses or damages

Students will ensure that they:

- work hard and follow the learning habits in every lesson and around the academy
- attend regularly, arrive on time, wear the correct uniform and bring the correct equipment
- behave responsibly both at the academy and travelling to and from the academy
- complete all homework to the highest standard and hand it in on time
- treat all adults and students with respect
- are polite at all times and open the door to let an adult through first
- respect the academy building and equipment and leave all rooms tidy after using them
- do not undermine the safety of others
- take letters and messages home and deliver them to their parents / carers
- keep their planner up to date with homework and next steps and show it to academy staff if requested
- take an active part in academy life

Failure to keep to the Agreement will result in disciplinary action and ultimately a loss of place at Dixons.
